

Classified Tables by subjects [(classified) by an alphabet indicated in the second colum of a label.]

A General

- 1 Library, Books, Bibliography
- 2 Information Science, Informational administration
- 3 Reference books
- 4 Statistics
- 5 Successive publications
- 6 Forums, Groups, Conferences
- 7 Collections of treatises
- 8 Series, Complete works, Courses of lectures

B Science (General)

- 1 Human Science
- 2 Social Science
- 3 Natural Science
- 4 Area Studies, Regional books

C Philosophy

- 1 Philosophy, the history of philosophy
- 2 Thought
- 3 Value system
- 4 Cultural philosophy
- 5 Structural theory
- 6 Phenomenology
- 7 Logic, morality

D Religion

- 1 Science of religion, the history of the science of religion
- 2 Mythology, Symbolical studies
- 3 Natural religion
- 4 Islam
- 5 Hindu
- 6 Buddhism
- 7 Christianity
- 8 Judaism
- 9 Confucianism, Taoism
- 11 Shintoism
- 12 Other religions

E Psychology

- 1 Psychology, the history of psychology
- 2 Perceptive (esthesio-) psychology
- 3 Personality psychology (include developmental psychology)
- 4 Clinical psychology
- 5 Social psychology

- 6 Ethnopsychology

F Languages

- 1 Linguistics, the history of linguistics, comparative linguistics
- 2 Phonetics, phonology, acoustics
- 3 Grammar
- 4 Semantics, vocabularies, dictionary
- 5 History, comparative linguistics
- 6 Linguistic geography, dialectology, sociolinguistics
- 7 Written language, orthography
- 8 Linguistic philosophy/aesthetics, psycholinguistics
- 9 Linguistic engineering/medicine
- 11 Language education, language policy
- 12 Language textbooks

G Art

- 1 Artistic criticism, the history of art
- 2 Literal criticism, the history of literature
- 3 Literal works
- 4 Music, dance
- 5 Theater
- 6 Fine art
- 7 Game
- 8 Primitive art

H History

- 1 Theory of history
- 2 World history
- 3 Regional history
- 4 History of cultures
- 5 History of exchanges
- 6 Archaeology, prehistory
- 7 Historical geography
- 8 Biography
- 9 Historical materials
- 11 Chronological tables

K Geography

- 1 Geography, topography, history of geography
- 2 Environment
- 3 World geography
- 4 Topography, regional geography

- 5 Records of trips, guidebooks, exploration diaries

- 6 Maps, illustrations, globes

M Law

- 1 Jurisprudence
- 2 The history of system of laws
- 3 National law, constitution, public law in general
- 4 International law
- 5 Private law, civil law in general
- 6 Commercial law
- 7 Social law, Labor law
- 8 Religious law
- 9 Customary law
- 11 Criminal law

N Politics

- 1 Political science, the history of political science
- 2 Political ideas
- 3 The history of politics
- 4 Political system, a nation, administration
- 5 Assembly, election
- 6 Political party, political organization
- 7 Comparative political science, political situation
- 8 International relations, Diplomacy
- 9 National defense, military affairs

P Economy

- 1 Economics, the history of economics, development theory
- 2 Economic policy, development policy
- 3 The history of economy, economic condition
- 4 Economic structure, economic system
- 5 International economy
- 6 Labor problem, labor movement, labor transfer
- 7 Industry
- 8 Enterprise, management
- 9 Finance, currency, finance

R Society

- 1 Sociology, the history of sociology
- 2 Family sociology
- 3 Urban sociology
- 4 Agrarian sociology
- 5 Stratospheric sociology
- 6 Racial problem
- 7 Applied sociology
- 8 Social change
- 9 Mass communication
- 11 Investigation method of sociology
- 12 Religious sociology

S Race

- 1 Natural anthropology
- 2 Human ecology, magazines of ethnological nature
- 3 Cultural anthropology, the history of cultural anthropology, ethnology, the history of ethnology
- 4 Magazines of races
- 5 Folklore, folktale
- 6 Material culture, techniques
- 7 Applied anthropology
- 8 Investigation method of ethnology and anthropology
- 9 Social structure

T Education

- 1 Pedagogy, the history of pedagogy
- 2 The history of education, educational situation
- 3 Education policy
- 4 Education techniques, curriculum
- 5 Textbooks
- 6 Educational institution
- 7 Adult education
- 8 Education sociology

U Natural science

- 1 Mathematics
- 2 Physics
- 3 Earth science
- 4 Chemistry
- 5 Biology
- 6 Medicine, pharmacy, hygiene
- 7 Engineering
- 8 Agriculture
